

# International Organizations

The Ohio Union offers a variety of campus activities, student organizations, and leadership and service initiatives. Getting involved in at least one thing outside of the classroom can have great benefits including better time management skills, providing an outlet for stress, making a big campus seem small, and building a network of friends that will last a lifetime. Check out the Ohio Union website at <http://www.ohiounion.osu.edu/studentorgs/orgs.asp> for a complete list of organizations.
