Many of the tables have past participant volunteers. Ask a returned student about his/her experience abroad.

Find a flyer from the Spanish-speaking tables of interest to you.

Learn how to apply for a passport.

Many tables are grouped by College (Arts and Sciences, Engineering, Social Work, etc.). Locate your college and speak with representative about how study abroad can enhance your major.

What are the Global May programs? What Global May programs are offered?

Collect an information sheet for a program that would fit into your major.

Talk to one of the exhibitors at the Expo about a program that interests you.

Locate a program that offers an internship, research or service-learning component.

How can you finance a study abroad program? List at least two methods that might work for you.

Please complete at least three of the activities above. If you speak with a representative, please have that person initial the relevant box. If you are asked to collect information sheets, please bring them to the First Year Success Series table (table 32) for verification. Once you have submitted this form to the First Year Success Series table, you will be marked as having attended this event.
