Setting Up OSU Email

Maria Bibler
Email

• Make sure your Ohio State email account has been activated and check it regularly.
• If you know your Ohio State ID number and password, you can activate your Ohio State account (lastname.#) and Ohio State email address (lastname.#@osu.edu) at my.osu.edu.
• The password should have already been emailed to you by the admissions office; your Ohio State ID number can be found in the top portion of your official acceptance email.
Email

• Contact the Office of Information Technology (OIT) Help Desk at 614-688-4357 or email them at 8help@osu.edu, if you have forgotten your username/password

• All university offices use your OSU email (also referred to as buckeyemail) to communicate with you
