

# 2026 Study Abroad Fair

ARCHIE M. GRIFFIN EAST BALLROOM

## Table 1: Global Education, Passports, and Scholarships

Start here! Global education staff are available for general questions and guidance. Information on passports and study abroad scholarships will also be available here.

## Tables 2-19: Faculty Led Programs

These programs are offered by various Ohio State colleges and take place throughout winter break, spring break and summer break. These programs are led by Ohio State faculty and/or staff and allow students to travel and study together.

## Tables 20-32: CFAES, Fisher, CoE and Language Department Programs

Programming of all types offered by Ohio State language departments, as well as Fisher College of Business, College of Engineering, and College of Food, Agricultural, and Environmental Sciences. Although these programs may have a specific academic focus, many of them are open to students of all majors.

## Tables 33-52: Third Party, Direct Enroll and Exchange Programs

These semester, summer and academic year programs are managed by another institution that partners with Ohio State. If a program offers academic credit, this credit can transfer back to Ohio State.

## Tables 53-59: Ohio State Campus Resources

Explore a range of campus resources that are here to help with your study abroad journey.
